“All children must look after their own upbringing. Parents can only give good advice or put them on the right paths, but the final forming of a person’s character lies in their own hands.”

DID YOU KNOW?

In August of 1492, Christopher Columbus set sail with three ships from Spain. On October 12, 1492, Christopher Columbus’ expedition reached land in the Bahamas. He had discovered the Americas. The first recorded celebration of Columbus Day was in 1792. Columbus’ landing in the new world was being celebrated 300 years after he made land fall in the Bahamas.

“In two hours after midnight appeared the land, at a distance of 2 leagues. They handed all sails and set the treo, which is the mainsail without bonnets, and lay-to waiting for daylight Friday, when they arrived at an island of the Bahamas that was called in the Indians’ tongue Guanahani [San Salvador].”
